Dear Hiring Manager,

I am writing to express my interest in the Data Analytics/Data Science position that your organization is currently offering. My name is Subhash Dixit, and I am a data scientist with 2 years of experience, currently working at Affine. I have a B.Tech degree from the National Institute of Technology, Durgapur.

I believe that my knowledge and experience make me a strong candidate for this role. At Affine, I have gained diverse experience in using Python, SQL, ML, NLP, and Time series to provide solutions to business requirements. My projects have included player segmentation, sentiment analysis, and retention prediction. Additionally, I have worked closely with the SQL developer team to develop a dashboard.

In my personal time, I am continuously working on personal projects, such as a Stock Analyzer, WhatsApp Analyzer, Credit Card Fault Prediction, and Insurance Premium Prediction, to further develop my skills.

I am confident that with my strong motivation to excel and diverse skill set, I can bring significant value to your organization. Please feel free to contact me at 9205979486 if you have any questions or would like to discuss further.  
Thank you for your consideration.

Sincerely,

Subhash Dixit  
Applicant
